The Beverage Bot's debut at Maidu community center was a huge success. We had 2 Beverage Bots serving 150+ guests. The 2 Beverage Bots served drinks from 6pm till 11pm flawlessly. Everyone who used the Beverage Bot seemed impressed. We saw an overwhelmingly positive response from Beverage Bot users. Everyone seemed to have a good time and enjoy using the Beverage Bots.

We met a lot of great people and enjoyed a fun night. We would like to thank the kind people of Roseville for having us! We look forward to seeing everyone at our next big event.
